

PRODUCT ALERT

NEW *Superfine* CARDER

Our NEW Superfine Drum Carder with 120 point cloth allows you to card your super fine fibres with confidence and ease.

Effortlessly prepare all your fibres including alpaca, angora, cashmere, dog hair, llama and Merino ready to felt or spin into luxurious fine yarns.

Have fun mixing fibres and colours to create your own unique exotic blends.

Complete with a packer brush to smooth and control fine low crimp fibres such as alpaca, angora and silk plus pack more fibres onto the large drum

Includes a cleaning brush, doffer and clamps

Superfine 120 point teeth

Two carding ratios for more flexibility

4:1 – For fast creative blending of slivers and colours

6:1 – For smooth, controlled carding of fleeces and fibres

The adjustable drum clearance allows you to set the gap to suit your fibre

20cm (8ins) carding width

Makes a 50gm (2oz) batt

Finished batt size 60 x 20cm (24 x 8ins)

Weight only 5kg (11lbs)
