PRODUCT ALERT

SAMPLEIT LOOM 40cm (16")

**NEW
WIDER
weaving width!**

This popular loom is NOW available in two sizes. Choose either a 25cm (10ins) or the NEW 40cm (16ins) weaving width.

These wonderful little looms are inexpensive, compact and cute without sacrificing function.

These looms are for new and experienced weavers and are the perfect classroom loom.

Whether you are learning to weave for the first time, want to learn new techniques or sample your wonderful yarns, this loom is fun and easy to use. Just add yarn!

Compact and lightweight, the looms only weigh 1.4 kg (3lbs) for the 25cm(10ins) size and 1.7kg (4lbs) for the 40cm (16ins).

The Sampleit has strong handles, ratchets and clicker pawls so your warp never unwinds unintentionally. The loom includes a built-in second heddle option.

Kit includes step-by-step colour instruction booklet, 30/10cm (7.5dpi) reed, two shuttles, warping peg and clamps. Assemble in minutes.

Leave the beautiful Silver Beech hardwood natural or finish with our soft and smooth wax finish.

Additional rigid heddle reeds are available, 10, 20, 30, 40, 50 and 60/10cm (2.5, 5, 7.5, 10, 12.5 and 15 dpi), and the vari dent reed, so you can weave fine to bulky or textured yarns.

Accessories: extra reeds, vari dent reed, loom stand.

Light, portable and fun! Just add yarn!
